SNOW PROCEDURE

(Document Created 08/10)

At times during the school year, the town of North Andover may delay or cancel school due to weather conditions. St. Michael School always follows the decisions of the town. Therefore, if you are looking for a cancellation of school on the television or radio, never look for a posting from St. Michael School (you may see some from other towns but not from North Andover). Always look for North Andover public schools. As soon as the SMS school officials are notified of the delay or cancellation they will begin contacting parents using our School Reach phone system. In order to keep the calls flowing, we will only contact the home phone number for delays and cancellations.
