

Dear Student,

We are looking forward to working with you in Middle School for the upcoming academic year. We anticipate an AWESOME YEAR for all of us. The following is a list of supplies that you will need. We recommend that you write your first and last name on all your supplies. Supplies do not need to be brand new. If you have supplies left over from last year or hanging around your house, please feel free to utilize them. Please bring in all supplies with you on the first two days of school. Have a wonderful and safe summer!

God Bless,

The Middle School Teachers
