

Dear Soon-To-Be Third Grade Student,

We would like to welcome you to the third grade! We hope that you got a feeling for what your third grade year will be like during Step-Up Day. We are giving you this list of supplies to help you prepare over the summer. Please do not lose this list. You will need the following items for the third grade:

- 4 Highlighters
- 3 Expo Markers (**low odor**)
- an old sock (to wipe off white board)
- addition flashcards and 0-12 subtraction flashcards (**that include up to 18-9 and 9+9**)
**The subtraction flashcards are difficult to find in stores. They can be found on Amazon.com. Feel free to make flashcards at home or print them off of a website.*
- multiplication/division flashcards (up to 12 X 12)
- 50 index cards (white lined)
- 2 composition books (instead of notebooks) 9 3/4" x 7 1/2"
- one graph paper notebook (**spiral bound**)
- Ruler (inches, centimeters)
- Rubber erasers (no collectibles/toy erasers)
- 1 box crayons (please put in zip lock bag)
- 1 box colored pencils (please put in zip lock bag)
- Individual pencil sharpener (Staples brand sharpens well)
- 1 pair of scissors
- 6 glue sticks
- 3" Post it Notes
- 3 erasable pens
- 3 folders (no bulky trapper keepers/binders)
- Pencil bag (no big pencil holders/boxes)
- 4 extra large book covers (brown paper bags can be used)
- 1 box of tissues
- 1 Wet One
- 1 roll Papertowel
- 1 box of sharpened pencils (at least 50) Have your child bring these to school and we will designate a place in the classroom they can store them so that they will always have a pencil.

Summer Work

Over the summer, you must read **one** of the following books.

Calendar Mysteries: September Sneakers written by Ron Roy (A.R. 3.1)

Sideways Stories from Wayside School written by Louis Sachar (A.R. 3.3)

Fudge A Mania written by Judy Blume (A.R. 3.3)

Judy Moody and the Not Bummer Summer written by Megan McDonald (A.R. 3.0)

When completed with the reading, each child is asked to complete the attached book report sheet. You need to write 2 sentences your favorite character from the story and draw a picture in the box that goes along with your writing. You need to include the name of the book and the author's name. Please be sure to write your name and the date too!

This packet includes an addition and subtraction drill worksheet. We will not be collecting these practice drills in September. It is expected that you will be able to pass these drills. You should be able to do this in **5 minutes**. You will be given a subtraction and addition drill the first week we return from summer vacation. **These drills will be graded and will be the first math grades you receive in the third grade.** You may find the website <http://www.math-drills.com/> to be useful. This site allows you to make and print off additional drills at home. We find that one of the best ways for students to practice their facts is by taking written drills since this is the way that they will be assessed and graded in class.

We hope that you have a safe and happy summer vacation. We look forward to seeing you late August.

Sincerely,

Mrs. Quimby

Mrs. Torpey
