

5th Grade Summer Book Report 2024!

Soon, you'll be enjoying your summer reading book sitting under a tree, sitting by the pool, or relaxing in your room. What could be better!

Once you're done reading, you'll work on a Virtual Book Report. It will be in Google Classroom in the class called 5th Grade Summer. You can turn it in on Google Classroom any time during the summer. The last day to turn it in will be the first day of school. This is your first homework grade of the new school year. Remember to do your very best work. You should always put your best foot forward!

I can't wait to meet you. Sit back, relax, and ENJOY YOUR BOOK!

Mrs. Adam

5th grade, please choose ONE:

- *The Mixed Up Files of Mrs. Basil E. Frankweiler* by E.L. Konigsburg
- *The Wishing Spell- The Land of Stories* by Chris Colfer
- *The Shakespeare Stealer* by Gary Blackwood
- *No Talking* by Andrew Clements
- *Save Me a Seat* by Sarah Weeks

The Google Classroom code is 3hkb7fv. You may have already signed in with Mrs. A. or Mrs. Sullivan.

MATHEMATICS IS FUN

5

Grade 5 student and parents;

Just as students benefit from reading throughout the summer, it would also benefit them to practice math too.

Inside, you will find 25 math problems based on what your child learned in math the previous year. Your child will need to complete these problems at any time over the course of the summer.

Once your child has solved each problem, he/she can then open their Saint Michael gmail account and complete the summer math packet by typing their answers in the *Google form* provided and then submit it. This form can only be submitted once.

The Google form should be submitted before the first day of school with all 25 answers and will count as your child's first homework grade in math. If printing is a concern, please hand in completed work in writing, on the first day of school.

Spend some time this summer reviewing multiplication facts and telling time using a *face clock*. Reviewing problems from their used Math books would be helpful as well. If you have any questions or concerns please let me know.

**Have a great summer,
Grade 5/6 Math Teacher
Saint Michael School**

1) $32,467 + 4,091$

2) $\$492.36 - \86.14

3) 9×12

4) 8×7

5) 40×8

6) 78×8

7) 96×30

8) 120×12

9) $2,587 \times 21$

10) $273 \div 3$

11) $48 \div 5$

12) $612 \div 12$

13) $78 - 48$

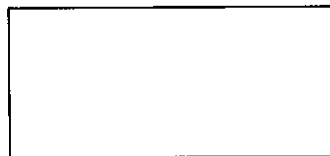

14) $49 + 29$

15) $58 + 28$

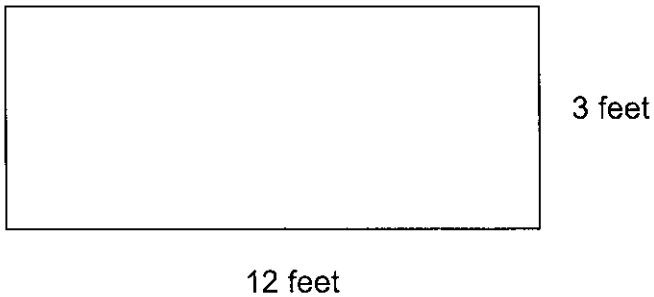

16) $12 + 14$

17) What many sides are there in a hexagon?

18) What is the name of this shape?

19) What is the measurement of the *perimeter* in the following shape?

20) What is the *area* of the shape above?

21) This is how to write the number 2,368 in expanded form.

$$(2000) + (300) + (60) + (8)$$

Now write 5,875 in expanded form.

22) If you spend 20 minutes a night on your math homework, how much time (in hours and minutes) would you spend in 5 days?

23) You have \$10.00. You buy 3 sodas for \$1.75 each. How much change should you receive?

24) Emily and Jesse opened a lemonade stand. They sold 45 cups of lemonade for 20 cents each. How much money did they make?

25) Laura's soccer team members are taking vans to the tournament. Each van can hold 6 girls. There are 26 girls on the team. How many vans do they need?
