

We are happy to share that after careful consideration of the 2024-2025 school budgetary needs, the following tuition figures are below. These funds help with a fair increase in staff compensation, purchases of books/supplies, STEM equipment, exterior surveillance cameras, building maintenance, increases in facility expenses, capital projects and so much more.

Additionally, the parish continues its outstanding support of our school via a parish subsidy and the fundraising efforts of our PTO and Annual Fund help us to off-set the cost of tuition for families. Without these three other sources of revenue, tuition would increase dramatically! We feel overwhelmingly blessed with the generosity of the parish, our PTO and the generosity of our Annual Fund donors!

As you will see, contributing parishioners receive a \$1,000 discount on tuition. FACTS will show the Non-parishioner rate for ALL families. Then, those who were listed as contributing parishioners will see a line item denoting a \$1000 discount.

2024-2025 Tuition Rates:

Grade	Parishioner Rate	Non Parishioner Rate
AM Nursery	\$5,775	\$6,775
Full Day Pre-Kindergarten	\$7,375	\$8,375
Kindergarten-Grade 8	\$6,125	\$7,125
Afternoon Bunch for Nursery Students who stay all day	\$3,975	\$3,975

Please Note:

- Grade 8 parents will be assessed an additional \$450 toward Graduation Expenses.
- St. Michael School is a parish school and for families who participate fully in parish life at St. Michael Church.
- Multi-child discount for grades K-8 remains the same (\$400 off each additional child, K-8).
- Grades 5-8 will be assessed a Chromebook lease of \$120 in addition to the posted tuition rate because those students routinely take this technology back & forth between home and school. This amount has not been increased this year.
- Deposits of \$300 will be deducted from your first bill this July.
- Information on how to receive the parishioner rate or how to apply for financial aid has been listed in the Trumpet Newsletter each week this year.
- New families receive the parishioner rate for their first year at St. Michael's. However, to continue to receive the parishioner rate you must be a registered, contributing member of the parish. Details can be found in our monthly newsletter.

Extended Day Care for 2024-2025:

Option One: Register for a year of AM and/or PM care!

- Families who wish to register for EVERY Morning for 1.5 hours (7:00.-8:30a.m.) for the 2024-2025 school year will sign up now and we will roll your annual Ext. Day Care fee (\$1750) into your tuition. Your child will be automatically registered for every school day for the year whether you use the program or not. Once you register, you are set for the year.
- Families who wish to register for EVERY Afternoon for 2.25 hours (3:15-5:30p.m.) for the 2024-2025 school year will sign up now and we will roll your Ext. Day Care fee (\$3,500) into your tuition. Your child will be automatically registered for every school day for the year whether you use the program or not. Once you register, you are set for the year.
- The above rates are based off of the current fee structure (from 2022-2023) and are locked in at these rates! This is a lower fee than the day-to-day sign ups on Sign Up Genius.

Option Two: Use Sign Up Genius and register for individual days/times. Link will go out in August.

- We will continue to offer parents the opportunity to register for day-to-day slots in Ext. Day Care using Sign Up Genius (3 month registration at a time). Those will be first come, first serve on an announced pre-registration day/time this August.

We look forward to partnering with our current and new families again next year! Thank you for choosing a Catholic education at Saint Michael School for your family.
